BIRCH SEEDLINGS

FOR BUDDING AND
TRANSPLANTING

To the Trade—Fall, 1927-Spring, 1928

Our BIRCH SEEDLINGS are very fine this year. Orders are booked *in rotation*, and delivered after Seedlings are well ripened up in the Fall, or in the Spring after frost leaves the ground.

Prices are NET, packed free, but where Cash is sent with order, 5% may be deducted.

WHITE BIRCH SEEDLINGS (*Betula alba*)

3-6 in. @ \$20.00 per 1000;	5000 or more @ \$18.00 per 1000
6-12 in. @ 40.00 per 1000;	5000 or more @ 30.00 per 1000
12-18 in. @ 55.00 per 1000;	5000 or more @ 45.00 per 1000

CANOE BIRCH SEEDLINGS (*Betula papyrifera*)

3-6 in. @ \$30.00 per 1000;	5000 or more @ \$25.00 per 1000
6-12 in. @ 50.00 per 1000;	5000 or more @ 40.00 per 1000
12-18 in. @ 65.00 per 1000;	5000 or more @ 60.00 per 1000

Many propagators now prefer Canoe Birch as a stock on which to bud Cutleaf Weeping Birch.

Prices are low, the stock is fine and your order should come in *at once*,
by *Wire, Mail or Airplane Mail*.
